

HEALTH, SAFETY & ENVIRONMENTAL POLICY

Environmental Policy & Statement of Intent

The Aspire Electrical Ltd 'Integrated Management System' applies to the design, installation, maintenance, inspection and testing of electrical systems and infrastructure, including all associated support processes managed out of the Newton Abbot head office.

Aspire Electrical Ltd considers environmental management to be of prime importance and is fully committed to fulfilling all environmental responsibilities as well as continuous improvement of environmental performance. As such Aspire Electrical Ltd will work with clients, contractors, suppliers and the workforce towards achieving this goal.

The objective of this policy is to attain and maintain high standards of environmental performance throughout Aspire Electrical Ltd.

All persons conducting activities under the name of Aspire Electrical Ltd will adhere to this Environmental Policy.

It is the Policy of the Company to:

- Understand and comply with all legal requirements, codes of practice and regulations;
- Organise operations in order to minimise pollution and disturbance to neighbours and the general public;
- Provide assistance, training and information that may be necessary to personnel at all levels;
- Use materials and resources with regard to long-term sustainability;
- Employ a consistent framework for the management of environmental issues across all its operations;
- Audit environmental performance.

The successful management of environmental issues will be achieved by:

- Identification and management of environmental risks and aspects;
- Prevention of pollution;
- Minimisation of waste;
- Provision of prompt response to incidents and emergencies;
- Promotion of environmental issues and good practice; and
- Reviewing and reporting on the content and implementation of this policy.
